Internal note | Procurement and Finance

Broker & forwarder notes

For comparing the three pallet quotes (2,000 pallets, quotes dated 9 Oct 2026).

These are the ONLY rates to use.

- Exchange rate agreed with finance for this exercise: USD 1 = THB 33.00.
- Ningbo to Laem Chabang: 4 × 40' HC containers, ocean freight USD 850 per container; cargo insurance USD 160 total.
- Import duty for this case: 5% of CIF value (broker's note; in real life confirm the AHTN code and any FTA rate with your broker).
- Local charges at Laem Chabang (THC, D/O, clearance, trucking 20 km to Si Racha): THB 9,500 per container.
- VAT 7% is recoverable on all three, so compare excluding VAT.
- Supplier C collection: KLD must collect. Carrier rate Lat Krabang to Si Racha THB 4,200 per trip, 250 pallets per trip (8 trips).

THC = terminal handling charge. D/O = delivery order fee. 40' HC = 40-foot high-cube container.
